Dear Mr. Pauletto:

On August 21, 2000, we received your Land Use Application and Permit and two Mill Site (INP #1 and INP #2) Notice of Locations for public land in T. 13 N., R. 13 W., Section 31, NE¼, Box Elder County, Utah. We cannot accept your Land Use Application and Permit and Mill Site Notice of Locations for the following reasons:

1. Exploration and mining activities on Bureau of Land Management (BLM) administered lands are subject to the regulations of 43 CFR 3809 (enclosed). One of the requirements is the submission of a notice or plan of operations before conducting any surface disturbing activities. Your milling activities associated with your mill sites would be authorized under the 3809 regulations. A Notice or Plan of Operations should be submitted to this office.
2. Your INP #1 and INP # 2 Mill Site Notice of Locations are required to be recorded at our BLM State Office, 324 South State Street, Suite 301, Salt Lake City, Utah 84145-0155. In addition, a service charge, location fee and maintenance fee for a total \$135.00 per mining claim, tunnel site or mill site shall be paid at the time your mill sites are recorded with the BLM State Office. We have enclosed a copy of the subpart 3833 regulations on Recordation of Mining Claims, Tunnel Sites, Mill Sites and Fees for your use.

Therefore, we are returning your Land Use Application and Permit and the two Mill Site Notice of Locations.

If you have any questions, or require additional information, please feel free to contact Cheryl Martinez of my staff at (801) 977-4371.

Sincerely,

GLENN A. CARPENTER
